Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The purpose of this interview is to clarify the claimed language written in the independent claim 1, where the limitation of "a step of verifying that the measured reaction time is less than a predetermined threshold between the two successive transmission data (P1, P2); and a step of transmission by the identification unit. The applicant has agreed to amend the claimed language to clarify/narrow the scope of the claim as set forth in independent claim 1. Examiner will need to do further search depending upon the amendment..
